

# THE MIGRAINE IMPACT IDENTIFIER

A migraine treatment plan should take into account the impact of migraine beyond the painful physical symptoms.

Use this guide to reframe the discussion around migraine and gain a more complete understanding of its impact.

1

How many days per month are you affected by migraine?

---

---

2

Are there any ongoing migraine **symptoms that aren't addressed** by your current migraine treatment plan?

---

---

3

How has migraine affected your **daily activities, work performance, and personal relationships**?

---

---

4

What is an activity you have **had to endure, instead of enjoy**, because of your migraine?

---

---

With this deeper understanding of the true burden of migraine, **consider a treatment plan that may address its full impact.**
